ANASTASIA'S CRAFTS

Let's dive into the world of Russian crafts and make some fantastic creations. Get ready for fun and a touch of Russian flair with these crafts!

1. **Matryoshka Magic (Матрёшка волшебство):**

   Materials Needed:
   - Plain wooden nesting dolls (can be found at craft stores)
   - Acrylic paints
   - Paintbrushes
   - Clear varnish (optional)

   Steps:
   1. Start by painting the largest doll with your favorite colors and patterns. This will be the outer layer.
   2. Once dry, open the doll and paint the next one a little differently.
   3. Repeat for all the dolls, creating a beautiful set of nesting dolls with unique designs.
   4. If you want, add a coat of clear varnish for a glossy finish.
   5. Your Matryoshka dolls are now a set of one-of-a-kind masterpieces!

2. **Fabulous Fabergé Eggs (Сказочные яйца Фаберже):**

Materials Needed:

Plastic eggs or wooden eggs
Acrylic paints
Rhinestones, sequins, or glitter
Glue
Paintbrushes

Steps:

Take your plastic or wooden eggs and paint them with bright, bold colors.
Once the paint is dry, get creative! Glue on rhinestones, sequins, or sprinkle glitter to make them sparkle.
Experiment with patterns and designs, just like the famous Fabergé eggs.
Let them dry completely, and you'll have your very own collection of dazzling Fabergé-style eggs.

3. **Troika Trot (Тройка-тройка):**
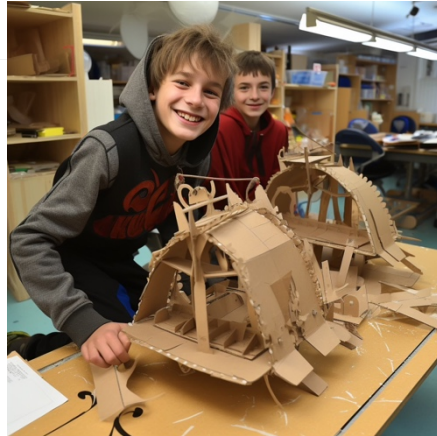

Materials Needed:
Craft sticks
Miniature horse figurines or cutouts
Paints
Glue
Small cardboard or foam board

Steps:
1. Paint the craft sticks in bright colors. These will be your sled runners.
2. Glue three craft sticks together side by side to create the base of your troika (a traditional Russian sled).
3. Attach miniature horse figurines or cutouts to the front of the craft sticks.
4. Create a small cardboard or foam board platform for your troika to stand on.
5. Your Troika Trot is ready to race through imaginary snowy landscapes.
6. Have a blast making these Russian-inspired crafts, little artists! Enjoy the creative journey.
